

## Alpha Mu State Lifelong Learning Grant

The purpose of the Alpha Mu State Lifelong Learning Grant is to encourage Alpha Mu State members to continue learning for a lifetime by affording them the opportunity to attend workshops, seminars, classes, participate in Elderhostel or study/travel programs, or attend Delta Kappa Gamma Conventions or Conferences. A successful candidate for this award should be a member of Alpha Mu State for at least 5 years and be committed to remaining a member of Alpha Mu State. Priority will be given to Retired Active members.

The amount of each award shall be \$50 - \$200 per recipient and shall be used to defray expenses of registration, room, meals, and/or transportation. Availability of funds will determine the number of awards granted per year. Funds will be determined by interest from fund.

Grant application should be postmarked one month prior to program and sent to the chairman of the Personal Growth and Services committee. Funds will be paid to successful recipient when proof of successful application (copy of canceled check - both sides - **or** copy of acceptance letter.) Alpha Mu lifelong learning grant application can be made as soon as receipt of proof of acceptance so all necessary documents can be sent together.

Upon completion of the lifelong learning experience, a brief summary will be submitted in writing to the state Personal Growth and Services chairman for future history records. A workshop presentation or article to Alphasings may be alternately used.

This award shall not be used to reimburse tuition for college credit applied towards a degree and/or professional/teacher certificate.

A recipient of the award will not be eligible to reapply for this award for 3 years.

Roseanne Jones, Upsilon, Polson, was the first recipient of the Alpha Mu State Lifelong Learning Grant. She used her grant money to fund her beginning watercolor class at the Polson Adult Education Center.

This grant money is also available for yoga classes, ballet lessons, rock-climbing lessons or seminars on the works of your favorite author.
